August 2020 Newsletter

Dear Club Continental Family,

As you well know the Covid-19 Pandemic has grown since our last newsletter and we want to assure you that we are doing everything possible to keep our members and our club employees safe. We are continuing to enforce our mask and glove uniform policy for all our employees. All surface and touch areas are thoroughly sanitized before and after every meal service. Please help slow the spread and protect others by wearing a mask, social distancing and staying home if you are feeling sick.

We are still offering anything from our menu for carryout or curbside pickup. We are now offering more carryout options so please take advantage of these special meals. As always please contact Chef Sheldon if you have any special requests or want to order food for a private dinner.

The State of Florida does not encourage self-service buffets. Here are the changes we have implemented to ensure the safety of our guests and employees. All items will be served by trained staff.

1. The use of gloves and masks will become part of our uniforms.
2. Sneeze guards have been purchased and are in use on all buffets.
3. Every guest is encouraged to use the sanitizing station before entering the food service area.
4. Social distancing is maintained by limiting guests in the food service area.

We have practiced these procedures and feel confident we can help slow the spread while still providing our guests with a safe environment to celebrate their special events. The Cabana has opened and the pool season is upon us so we must be diligent in our social distancing. We must maintain 6-foot distances between parties. Please refrain from moving tables and chairs because they are properly distanced. Only one family at a time in the Cabana and please be patient and courteous. For the safety of our neighbors, please close all umbrellas when you leave the Cabana area.

We are currently bringing back to work as many employees as we can. **Reservations are more important now than ever! In order for us to plan accordingly please make your reservations ahead of time by calling the Club at (904) 264-6070.** We will continue to send out emails to all members regarding upcoming events, any changes to the newsletter and news we need to share. Please continue to enjoy the services we offer at the club and remember we are here for you. Feel free to contact us if we can help you in any way. Together we can make a difference. Thank you for your understanding during this time.

Respectfully,
Karrie and Sheldon
