Tennis News

No better way to kick off the school year routine than with a new sport like tennis! Club Continental will be hosting several Junior League tennis teams this fall with matches every Friday. We have clinics for every age level and team tennis for Orange ball, green ball, and regular leagues. If your kids or grandkids are interested, please let me know to get them involved. BEGINNERS WELCOME!

Check out our website with links to specific clinics and current updates at our facebook page. Congratulations to our USTA 4.0 Women's 18 & Under Team for winning the sectional title and advancing to Nationals in California in September. This team is very dedicated and have progressed tremendously in their tennis skills and mental toughness. The club, pros, members and myself are proud to be represented at the national level by such an awesome group of ladies.

All ladies clinics and Saturday clinics will remain at the same times with the exception of the C team practice moving to Thursday at 8:30 am. There will be a Men's clinic Thursday evenings at 7 pm, you must respond to the email prompts or contact me to sign up prior to Thursday. You can find all of this info in depth at www.clubcontinental.com/tennis-info or www.facebook.com/clubcontinentaltennis.
