April, May and June Membership Drive

More than ever, the Club offers the best value in town, with many choices for Club membership available today. Your Club membership provides you with invaluable opportunities for entertaining business associates, clients and family, socializing with other members, or just relaxing while enjoying this beautiful waterfront garden setting.

We are delighted to have you as a valued member of The Club Continental. The entire staff and management endeavor to make your every experience with us unforgettable. In appreciation, when a friend joins the Club, you will receive a one hundred dollar credit, and your friends will enjoy one hundred dollars off their initiation fee!

Have your friends call the Club at 264-6070 and we will provide membership information and answer their membership questions.

Membership drive incentives do not apply to "Tennis Only" memberships.
