# *June Tennis News*

In June's tennis newsletter, we are thrilled to honor our outstanding team captains as the Athletes of the Month. Their exceptional leadership and dedication have been instrumental in wrapping up the season on a high note. Each captain brought unique strengths to the table, inspiring their teams with strategic insight, unwavering commitment, and a passion for the sport. Thank you A&B Country Club, First Coast and Working Women's captains.

As we transition into summer, we eagerly anticipate our adult and junior tennis camps. These camps offer a fantastic opportunity for players of all levels to enhance their skills, stay active, and enjoy the camaraderie of fellow tennis enthusiasts. With the Florida heat upon us, it's crucial to stay hydrated on the courts. Remember to drink plenty of water and take regular breaks to avoid heat-related issues. Let's embrace the summer season and continue to make great strides in our tennis journey. Here's a little tennis humor to keep you smiling: Why should you never date a tennis player? Because love means nothing to them!
