Player Feature: Betsy Sievert

"They say that the friendships you form with your tennis teammates are likely to last a lifetime. I believe this to be true! More than 25 years ago, I joined the Club Continental tennis program. The friends I have made over the years are dear to me even today. We celebrate together ... not just the wins on the courts, but the wins in our personal lives. And we mourn together, too. My tennis team at Club Continental is in many ways my extended family ... always there to support and encourage me. Even the few who left us over the years to play elsewhere returned because they realized that this team has HEART!"
