July Tennis News

Player Spotlight: Suzanne Hastie

This month, we're proud to feature Suzanne Hastie in our Player Spotlight. Suzanne has been a part of our tennis family for over a decade and brings heart, wisdom, and positivity to the courts.

"I absolutely love tennis for not only the exercise and competition but most of all my tennis family at CC. I've been with CC for 11 years and I know that I could reach out to any player if I was in trouble and needed help and they would be there. They are an amazing group of ladies and are the main reason I have stayed loyal to CC.

I love the life lessons that can be taught partaking in this game we all love. Learning how to accept responsibility and manage mistakes. Always being kind to your partner. Learning how to cope with pressure and adversity. Trying to figure out your opponent's weaknesses.

My favorite item in my tennis bag is a mini bottle of Captain Morgan. My friend who introduced me to tennis recently passed away. We would often have a drink together after playing in the evening. This was her favorite libation, so every time I'm feeling frustrated or down with my play, I glimpse at the mini Captain Morgan and realize what's really important and that is the friendships you build throughout your tennis journey."

Thank you, Suzanne, for sharing your story and your heart. You represent the best of what makes our community so special.
